Fitting guide by tyre size

PLEASE NOTE: The info in this fitting guide are referred to the matching of tyre size and chain size only and are not considering in any case the vehicle's features. Discover the correct snow chain model/size for your vehicle on our "Fit Guide" at www.thule.com

1 Select, in the table heading, the right category for your vehicle. **2** Check your tyre size in the first two columns (sorted by rim dimension). **3** In the columns on the right hand side you will find your snow chain size and you can choose, among the suggested snow chain models, the one most suitable for your needs.
