› **The new functional roof box line**

New

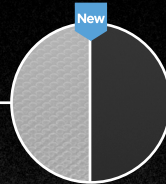

Thule Touring

Key features and USP

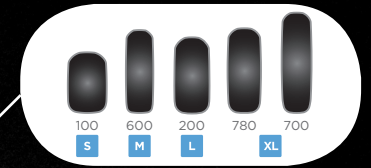

THULE
SWEDEN

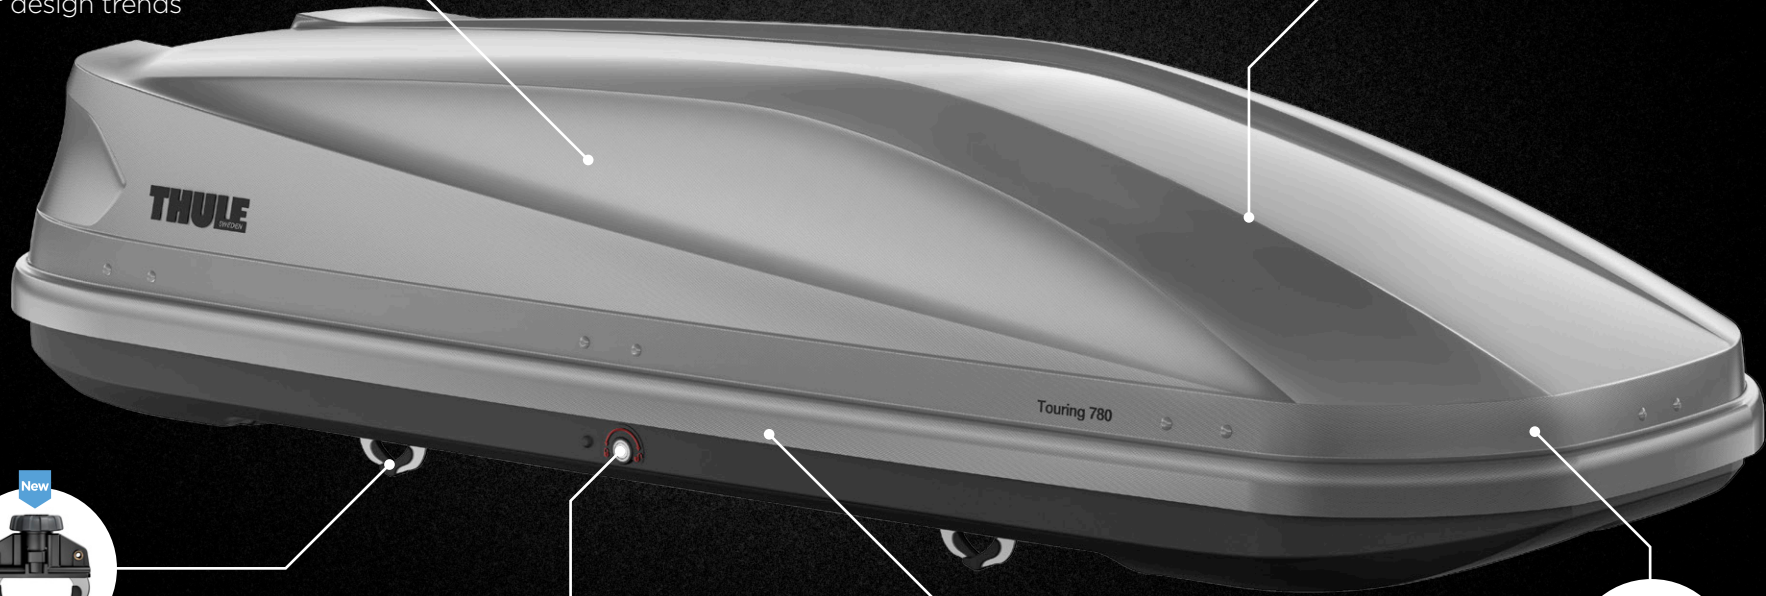

New lid design following latest car design trends

2 lid colour options (available for all box sizes)
Titan aeroskin (replacing silver grey aeroskin)
Black glossy (replacing anthracite aeroskin)

5 different size for all needs

Easy and reliable fixation with new FastClick mounting system. Based on FastGrip, but now with integrated torque indicator.

Central safety locking allows to remove the key only when all locking points are securely closed.

50 kg load capacity

Dual-Side opening for easy installation and loading/unloading
(Thule Touring 600 single side)

New

Thule Touring
